Subject: The Plan Of God:

God has a plan, which is better than any plan that man can conceive. God's plan is that He is going to create a new summit above which no germs, sicknesses, old age, hate, envy, strife, nor death will be able to enter. God has it fixed so that only those who are born again of the Spirit will be a part of this plan. Those of us who are born again are looking forward to being a part of this plan. We as ambassadors for Christ are warning others, and giving them an understanding of God's plan so that they can be ready to accept it.

If the warning that we are giving is disregarded, those who ignore and fail to accept the invitation will be in the wrong place, and will fail to go up with those who are ready. When they see that they are left behind, they will remember the warning and wish that they had taken heed, but it will be too late.

So, why take a chance? The preparations that you need to make to get ready won't do you any harm. Of course, you have to stop seeking the pleasures of sin, but that won't hurt you. You will also have to separate from some folk you are keeping company with that are sinners, but this will also be in your best interest. You will then be brought into fellowship with good people by the Holy Spirit.

The initial procedure in the warning is to repent and believe the gospel. Repentance means to stop doing everything that you know is wrong. When your repentance is sincere, the Holy Ghost will give you strength, understanding, power, and remain in your life until Christ returns to raise you up to meet Him.

Subject: The Judgment Will Follow Christ's Return:

It is important to be in the Spirit during the perilous times of these last days. When John was exiled to the Isle of Patmos, he was in the Spirit, and he wrote the book of Revelations. John was not in a church. You can be in the Spirit and not in a church if you are born again. John had no companion or fellow worshippers except for the company of the Holy Spirit. It is better to have the Holy Spirit with you than other people. The Spirit then helped John to remember the good things that Christ had taught and all the wonderful words of Christ came back to his mind as he sat in meditation and the Spirit of God fell upon him and rejoiced him.

John then heard the voice that sounded like the rumbling of many waters, and he began to write the book of Revelations as the voice dictated to John what to write. Having been very much familiar with the Lord as a disciple, John could easily recognize the voice of the Lord. John knew that the words of Christ were tender, consoling and refreshing; and the message that was being given to him would further manifest the teachings of Christ.

John's revelation on the Isle of Patmos was a conclusion of the ministry of Jesus Christ and a prophecy of what would happen when Christ returned for the church of God. Though Christ had played a great part in shaping the destiny of those who received Him for salvation, Christ's mission is not over yet. While Christ is presently in heaven, He will be there as the chief administrator when the books are opened and the world will be judged. Those who have been faithful and true shall hear His voice welcoming them to the kingdom of God.

Subject: Is Your Name In The Book Of Life?

Prior to the destruction that God is going to send to the unsaved people of the world, an angel by the name of Michael will make preparations to deliver those who are saved. Michael will have a book with all the saved people's names written in the book. Those whose names are written in the book that Michael will have shall be delivered before the destruction comes. Those whose names are not written in the book shall be awakened to everlasting shame and contempt. Listen to Daniel 12:1-3:

Verse 1 - And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.

Verse 2 - And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt.

Verse 3 - And they that be wise shall shine as the brightness

of the firmament; and they that turn many to
righteousness as the stars for ever and ever.

Subject: God Is Preparing A City For Holy People:

You are not holy simply because you use the name holiness to define your religious denomination, neither are you holy because the name holy is on your church building. To be holy you must be redeemed from a life of sin, and filled with the Holy Spirit. It takes a holy source of power to make you a holy person, and the Holy Spirit is the only power that can do this.

God is preparing a holy city in heaven for a people who are made holy while they are living on the earth. You will not be made holy after you get to this city. You must be first made holy to be qualified to get there. To be holy means your life is sin-free. You cannot bring sin into this city to get rid of sin. Your sins must be left in this present world before you can get into this holy city.

**Subject: God Will Get Everlasting Glory Out Of Those Who
Are Saved:**

God's glory will be in those who will receive eternal life. God desires that those who are saved receive eternal life more so than they desire it. God gave His only begotten Son so that those who are saved will get eternal life, and those who receive eternal life did not give anything to get it. Jesus paid the entire price for those who will receive eternal life.

Those who will live again with God in heaven will mean everything to God, and God will be glorified in them throughout eternity. When a saved person dies and lives again, their second life will be completely by the power of God's Holy Spirit living in them throughout eternity.
